**ADDRESS:** 4805 Edgemoor Lane  
Bethesda, MD 20814  
After parking at the County  
garage, please take elevator to  
PLAZA LEVEL.

**T**his announcement is a follow up to the December 2004 newsletter whereby the public was notified of a public meeting scheduled for January 19, 2005 from 7:00-9:00 pm at the Bethesda Chevy Chase Regional Services Center (BCC RSC).

The purpose of the public meeting is to present concept plans for Norfolk Avenue (between Woodmont Avenue and Rugby/Glenbrook Avenue) and Woodmont Avenue/Bethesda Avenue intersection that would enhance circulation and safety for pedestrians and bicyclists.

The alternate public meeting 1A is to accommodate those people who can not attend the evening meeting on January 19, 2005. Both meetings will present the same information, whereby conceptual plans for pedestrian and

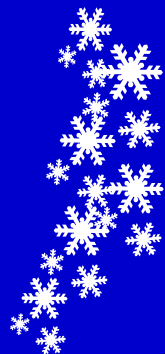

bicyclist improvements along Norfolk Avenue and at the intersection of Woodmont Avenue and Bethesda Avenue will be discussed. The intent of the public meetings is to receive comments from the public and the adjacent residents and business owners who can offer greater insight into the day-to-day operations of the subject roadways. The public's input is a significant component to the decision making process. Final decisions will not be made until we receive comments from the public.

For additional information contact the Project Manager:
